Dear Effa:

Please have your publicity man get this info for me and let me have it as soon as possible. I hope it reaches me by Friday, so that I might make a special story for the weekly release. I want all the information possible on Day.

His name, age, whether married or single; how long he has been in baseball; whether or not he ever pitched any other no-hit, no-run games; if not, any one-hit, or two-hit games, and a short statement stating how he felt pitching a no-hitter. Also the length of time he was in the Army, and his baseball record while overseas.

If I can get this information, along with any other material on him your publicity man may care to send, I think I can work up on good feature story on him to send out this week, which, of course, will help the League as well as the Eagles.

Thanks very much, and good luck.

Sincerely,

Carter
